THE COUNTY LEVY

MADE

COUNTY COURT MET YESTERDAY AND TRANSACTED CONSIDERABLE BUSINESS—TOTAL LEVY FOR ALL PURPOSES 27 MILLS.

The county court met in adjourned session yesterday and transacted a large amount of business, a full board being present. It was ordered by the court that the salary of the physician appointed by the county judge, as a member of the county board of health, be placed at \$100 per year and be paid quarterly.

The clerk was authorized to draw warrants for salaries, the same being fixed by law, on the first of each month or quarter, as the case may be, and also for allowances made by the court, but not for bills.

After a consultation with county officers it was decided that hereafter no allowance will be made for overtime work, but when additional clerks or assistants are required, upon proper application to the court, the same will be allowed if deemed necessary. In regard to the improvement of road No. 81, the parties interested having appeared and shown that some immediate repairs are necessary to make it passable, the sum of \$100 was appropriated, out of the general fund, to do the work and work shall be paid for when accepted by Commissioner Frye.

It was decided to ask for bids for repairing Young's Bay bridge.

The clerk was instructed to write to Aug. Jurbs, relating to the rebuilding of Spikanon bridge, that lumber shall be ordered from the D. L. Kelly Lumber Co., by Jurbs, for the repair of the bridge, and ask him for an answer as to how soon the lumber can be delivered. The proposition of John Mattson, to furnish and drive piles for the bridge, was accepted.

The roadmaster was instructed to write to the supervisor of road district No. 11, to order lumber necessary to rebuild two bridges, and proceed to construct same at once, and to send in all bills "O. K'd" by himself.
